Hon. Secretary,
Indian Prosthodontics Society.

Subject: Community outreach programme report.

Respected sir,

This is to bring to your kind notice that we have conducted the community outreach programme at ARKERA village, Raichur district on 10-12th December 2018 successfully. Here with I am enclosing the detailed programme list.

Arkera is a village located in Devadurga taluk of Raichur district, Karnataka. It has self-limiting medical and dental care facilities .A treatment (denture) camp was organized after obtaining permission from the IPS Head office. A total of 34 patients were treated out of which 16 were complete dentures, 5 were single complete dentures and 13 partial dentures.

The camp was presided over by the local authorities and all the staff members of Dept. of Prosthodontics, AME's Dental College. All the dentures were delivered to the patients at the end of the camp by the chief guest.

The photographs of the patients treatment and prosthesis delivered are attached herewith.

I thank you sir for having permitted us to do this program which was very `much beneficial and which has created lots of prosthetic awareness among the patients.

Thanking you.,

Regards,

Dr. Sunil Dhaded,

Professor and Head,

Department of Prosthodontics,

AME'S dental college and hospital,

Raichur.
