THE OFFICIAL NEWS BULLETIN OF THE INDIAN PROSTHODONTIC SOCIETY

## 47<sup>TH</sup> IPS NATIONAL CONFERENCE, RAIPUR, CHHATTISGARH- EXPLORE, INTEGRATE AND EVOLVE

IPS Chhattisgarh Branch proudly hosted the 47<sup>th</sup> IPS National Conference at the capital city Raipur from 28 November-01 December, 2019 with surgical precision to impart a unique learning experience to an overwhelming 2000 odd delegates from all over India. Delegates witnessed four days of scientific deliberations, brainstorming, innovations, cultural extravaganza and reconnect with teachers, colleagues, friends and students. Galaxy of internationally renowned iconic speakers from around the globe -Prof. Jeffrey Okeson, Dr. Fraser Walker, Dr. Kazuyoshi Baba, Dr. Michael O'Neil, Dr Ryju Hosokava, Dr. Takuro Takeichi, Mr. Christoph Zips, Dr. Jacob John, Dr. Peter Owen, Dr Ajay Jain interacted with delegates on diverse aspects and advancements in Prosthodontics. The curtain raiser was inauguration of The Center for Oro-facial Pain and TMJ Disorder by the legendary Prof. Okeson at Government Dental College, Raipur, one of its kind in Chhattisgarh. Professor Okeson also delivered a brilliant keynote to packed audience during the conference.

Pre-conference courses were inaugurated by Prof Dr. Adile, Director of Medical Education, Chattisgarh. All PCC were meticulously planned and well attended. IBP Part I written exam was held on the same day. IPS Head office held its 4<sup>th</sup> EC meeting in evening which was well attended.

The 47<sup>th</sup> IPS National Conference was inaugurated by Dr. A.K Chandraker V C of Pandit Deendayal Upadhyaya Health University. Founder member Dr. F D Mirza and IPS Past Presidents were honored and felicitated. Souvenir was released by the Chief Guest. This was followed by the prestigious B. C. Shroff Oration by Dr. Suresh Meshram who mesmerized the audience with his talk - In search of Smile. IPS Senior Prosthodontist recognition awards were conferred on Dr. Cecil, Williams, Dr. Vasanth Kumar, Dr Ram Thombare, Dr. Sham Gundawar, and Dr. Sudhir Pawar. AGM of IPS head office was held on November 30. IPS Tamil Nadu and Puducherry branch received the best branch award. IPS Kerala branch and IPS Gujarat branch were first and second runners up respectively. Editors of regional branch journals were also felicitated. Result of Systematic Review competition organized by JIPS was announced and winners were awarded. The scientific feast featured 12 international speakers, 78 national keynote and guest speakers, 2 satellite symposiums, 2 panel discussions, 6 structured discussions, 22 Pre-conference courses, 162 Faculty papers, 294 Student papers, 180 Student posters and 94 Student Table clinics. Dr. Neeraj Chandraker, Scientific Chair executed scientific deliberations with perfection and attention to detail. IBP convocation ceremony was held-Part I examination was successfully cleared by Dr. Santosh Shingote and Dr. Senthil Nathan cleared Part II clinical exam with flying colours and was conferred the diplomat in an impressive convocation ceremony. Banquet at Lalit Mahal was a rich cultural feast. IPS-JPS friendship badge was released and six prosthodontists who went to Japan as part of IPS-JPS scientific exchange programme were felicitated.

On the final day Valedictory Function was held in which Dr. Ravindra Savadi installed Dr. J R Patel as IPS President. Dr. Akshay Bhargava was elected as President Elect. Dr. Manesh Lahori and Dr. Venkatkrishnan CJ were declared as Vice-Presidents. 15 new EC members were also elected. The organizing team hosted a memorable event with a touch of affection, warmth and smiles to cheer one and all. Kudos to Conference Secretary Dr. V Rangarajan who was brilliance personified as Conference Secretary, Dr Ashistaru Saha-Organising Chairman, Dr Deepesh Kumar Gupta- Organising Secretary, Dr Neeraj Kumar Chandraker,-Scientific Convener for their impeccable organizational skills The whole organizing committee should be lauded for offering a memorable conference

## A PROLOGUE..

Dear Colleagues & Postgraduate Students,  
With great honor, pride and privilege, I feel humbled taking over as the President of THE INDIAN PROSTHODONTIC SOCIETY. I am deeply thankful for the faith and confidence reposed in me.

Words are less but emotions are real. I have always been an active follower and worker of this great association and with this I accepted this new challenge with selfless commitment to work for our society with utmost dedication. I promise you all to carry this legacy forward and request you to keep guiding and supporting me in achieving the goals set by our illustrious predecessors.

Together it will be the duty of all of us to set new standards for our profession to improve ourselves and to safe guard the interest of our members. My vision for this -year will be to include **THREE** vital things to carry Prosthodontics in our country to greater heights.

**First** endeavor is promotion and integration of artificial intelligence with human resources for better learning and problem solving. This will include encouragement for more usage of **DIGITAL TECHNOLOGIES** for designing and manufacturing of prosthesis, which will definitely help in improving the cumulative dental health in terms of accuracy, time & convenience.

**My Second** aim will be to create awareness among general public towards **Prosthodontic Driven Implantology** by conducting free treatment camps & educating the public on **Implant Supported Over Dentures**. I also will put more emphasis to conduct camps for **Maxillofacial Prosthesis** in association with the **IPS Community Outreach Program**.

**The third** focus will be on "**PROSTHODONTIC POWER**". This is aimed at encouraging regional branches to organize various activities for good health for our members and the environment, like **Yoga, Prostho Marathon, Sports Meets, Go Green policies, Swatchta Abhiyan** etc.

I request your wholehearted support in fulfilling my dreams  
Let me conclude by saying "As long as I live, so long do I learn & serve"

Thanking you. With warm regards.

Jai Hind, Jai IPS

**Dr. J R Patel,**  
**President, Indian Prosthodontic Society**

## AND AN EPILOGUE..

New Years greetings to our Prosthodontists. It's my pleasure to deliver a kind of Epilogue for our newsletter. I'm indeed privileged that our Hon. Secretary has deemed it fit to be in our newsletter.

With so much being said about the year that just passed, I won't go much into the details of the year but to say... I have had a wonderful year, befitting my active presence in the EC for over 15 years. I must, once again, thank Prof. Rupesh, Hon. Secretary of IPS for making my journey of the year most pleasant and blissful. I will be failing if I don't remember and mention the name of Prof. Rangarajan, past Hon. Secretary of IPS and all past Presidents and Hon. Secretaries for initiating a process and making all this possible. I have had a few musings for the past year and would like to discuss the same. The main one being the lack of interest in the society and it's activities by our members and more so the younger members. The younger members must realise that they are the future of our society. And the society needs young and talented members to take the IPS forwards to even bigger horizons. We all know that Prosthodontics is a wonderful branch of dentistry. In my opinion, the best branch. And we are all doing well because we are in this profession. Your activities in the IPS is a way of giving back to the society. It can be directly to the members of IPS or to the community as a whole.

Another point I would like the members to note is continuing education. I don't think anyone is in dispute about the importance of CE for practitioners and academicians alike. IPS has always invited the best of speakers from around the world for our conferences and conventions. But we see an abysmally low turnout at our scientific sessions. I request you all to come in groups and make our annual conferences a meeting point of friends. Have a literary upheaval and a cultural enrichment along with your friends. It's also a opportunity to meet and make more friends and network within the fraternity. Modifying a well known statesman's comment ... "ask not what your IPS can do for you but what you can do for your IPS. With best wishes to the current President Prof. JR Patel sir and all members for activities for 2020 and beyond ...

Jai Hind, Jai IPS
